Sales Price: US\$146,500

**Construction: 277 m2 (3,000 sq.ft) | Bedrooms: 33 |
Bathrooms: 2 | Office | Single Story**

Sarchí is a small town of 65,000 acres, with a population of 46,600 Inhabitants. The topography of the area allows gentle and fresh temperatures of 72°F almost year-round.

Sarchi is the cradle of the Costa Rican Handcrafted pictograph used originally to decorate the oxcarts. Now, this unique pictograph is part of the Costa Rican culture and is used everywhere.
